The Declaration includes S.no 235 measuring 8 guntas and assessed at Rs-12-0 and S.no 237/2 one measuring 16 guntas and assessed at Rs. 1-8-0 The Dy Commr does not say whether the lands are situated within or beyond, Municipal limits. Any how they seem to be agricultural lands Whether it is necessary to publish a Separate Declaration for their acquisition, is a point for orders —

Submitted to the Under Secretary

A separate declaration is not necessary If it is decided in Br IV that the acquisition of the land is necessary for the extension of the Kolar Town the necessary declaration may be issued I should like however the point to be considered whether we should not be empowered for the levy assessment on the land Please look up precedents & work it up separately the assessment in this case not being very great the matter need not perhaps be considered in this file
